I am a doctor, more than you're Actor

"I am a doctor, your emergency condition curator

Adverse body condition beautiful maker"

"I am a doctor, your daily activities advisor

Damaged parts detector. Developer"

"I use knife. I am not a culprit

I handle scissors I am not a tailor...

I cut the body, I am not a criminal...

I am a doctor....more than your actor"

I will have food with the curd, deals with the patients flowing blood

Patient's life is my livelihood...

I am a doctor, more than your star actor

"I have struck in the covid-19 work, patients are at my desk

Forgotten my house clock. Covid ward has become my block...

I am a doctor, more than your actor...

"Patient's progress gives energy to my work..."

Diseases destruction, dilution makes me perk..."

Yes, I am a doctor, a front line defensive actor, Savior during covid-
