Biswanath Dash

My old ink pen

Someday gave up
With what little stuffings it had .
I wrote last few lines
Of an endangered relationship .
I never moved back
Nor I took to it with familiarity
Still sometimes when I stress on
after clueless engagements
and sudden raids

to the memory shelves
With little more
And a little more encouragement
It writes few fuzzy words
That I don't make up .

Biswanath Dash

Biswanath is an engineer based in Bangalore. He defines himself as a bored engineer, soul lost in the ravines of Himalaya perpetually.
