

Uddipta Kumar Nath

The two-facedness

A new swing that has begun
We all are being overrun
The era is gone when it was rare
Now we all have been there
We seek power
We proclaim we are white collar
Desire to suppress the blue collar
Trapped in a race to become a millionaire
The language we speak is called dollar

To acquire the masses
We apply the trick of two-facedness
We often disguise ourselves
Man of honour like nobody else!
Our practices are illusionary, they are bogus!
An empty vessel that sounds too much
Nevertheless, everything begins to unmask progressively
Revealing our unrevealed personality
But, do we care?

Uddipta Kumar Nath

Uddipta is a Bachelor of Engineering in Chemical Engineering and Master of Technology in Energy Technology. Uddipta previously served as a Field Engineer and as a Faculty in a polytechnic college. Currently he is preparing for civil services.

Get Your Book Reviewed

If you have got any book published and are looking for a book review, contact us. We provide book review writing service for a fee. We (1) write book review (2) publish review in CLRI (3) conduct an interview with the author (4) publish interview in CLRI. [Know more here](#).
